

MCS Contractor Scheme Rules

1. Introduction

Certsure LLP trading as NICEIC provides third party Certification services to Businesses that undertake work in compliance with the MCS Contractor Certification Scheme requirements and related Codes of Practice. It does so under license from the MCS Service Company.

A Business directly engaged in the supply, design, installation, set to work, commissioning and handover of microgeneration systems and technologies wishing to be assessed in accordance with these Scheme Rules, may make an application for Certification. Where the Business's resources and MCS Work are subsequently assessed and found to meet the requirements of these Scheme Rules, the Business may be granted Certification.

Continued Certification will be subject to Surveillance requirements and the Business's ongoing compliance with these Scheme Rules.

Non-compliance will lead to a review of your Certification, this could in turn lead to Suspension and/or Cancellation of Certification.

2. Definitions

In these Scheme Rules:

Assessment/Surveillance means a review conducted by Us in line with all applicable standards. This may be undertaken remotely, by desktop, onsite or at your Contracting Office address.

Business means a sole trader, partnership, private limited company, public limited company, public body or other legal entity.

Certificate of Certification means a certificate awarded by Us under these Scheme Rules.

Certified Business means a Business which has been assessed in accordance with these Scheme Rules and has a valid Certificate of Certification as a 'MCS Contractor'.

Certification means Certification of a Business by Us as meeting the requirements for Certification set out in the Requirements for Certification paragraph of these Scheme Rules, and which otherwise meets the requirements of the Scheme Rules.

Competent Person means a person who, has the necessary technical knowledge, skill and experience for the nature of the work included in the scope of Certification, to prevent danger and injury.

Contracting Office means an address from which a Business carries out or manages work included in the scope of Certification, and to which correspondence can be posted meeting the requirements of the Economic Crime and Corporate Transparency Act. This must be a physical location. Virtual offices, PO boxes and digital office platforms are not suitable.

Data Protection Laws means all applicable data protection and privacy legislation in force from time to time in the UK including the UK GDPR (as defined in section 3(10) (as supplemented by section 205(4)) of the Data Protection Act 2018), the Data Protection Act 2018 and the Privacy and Electronic Communications Regulations 2003 (SI 2003/2426) as amended, including all law and regulations implementing or made under them, any amendments or re-enactment of them and, where applicable, the guidance and codes of practice issued by applicable regulatory bodies.

Defined Approval means Certification for a defined scope of Electrical Work.

Forms means certificates and reports bearing any of Our Trademark or Scheme Brandmarks.

- (l) has access to appropriate equipment, personal protective equipment and complies with all relevant Health and Safety legislation.

7. Application Assessment

- 7.1 The extent of Assessment will be prescribed by Us taking into account the range, scale and geographical spread of the MCS Work carried out or managed by the Business.
- 7.2 Each proposed Technical Person, as appropriate, will be present throughout the Assessment. The Nominee will be present for the opening and closing meetings. No other person will be present during the Assessment without the express prior agreement of Our Assessor, or Us.
- 7.3 You will:
 - (a) allow Our Assessor to complete the Assessment process in line with the requirements of MCS 001 and the relevant MIS documents, sufficient evidence must be demonstrated of compliance with current building regulations and applicable standards. This will include all the items referred to in Requirements for Certification, together with such other items as may be prescribed by Us; and
 - (b) make prior arrangements with your customer(s) for the installation Assessment(s) to be conducted, including all relevant safe access and egress; and
 - (c) provide facilities for such Assessments, including transport, tools, plant, test equipment and access to its place of Business and to the MCS Work selected for Assessment; and
 - (d) demonstrate to Our Assessor that Our Forms, Trademark and Scheme Brandmarks have not been used in any manner or for any purpose, and that You have not in any way represented yourself as being certified.
- 7.4 Any non-conformity(ies) identified during the Assessment may result in additional Assessment(s) unless the identified non-conformity(ies) can be rectified via alternative methods such as correspondence. Our decision will be final in respect of appropriate rectification of non-conformity(ies). Additional Assessments will incur fees as described in the fees and charges paragraph.
- 7.5 All electronic recording devices are to be switched off for the duration of the Assessment, and it is not permitted that any part of the Assessment is recorded.
- 7.6 A completed Assessment will result in a recommendation; this will be communicated during the closing meeting(s) and considered by Us as part of the Certification process described in the Certification paragraph. Any recommendation is always subject to independent review and Certification decision.
- 7.7 When requested by Us, You will provide access and facilities to allow for the attendance of internal and/or external parties such as the United Kingdom Accreditation Service (UKAS) to witness Assessments carried out by Us.
- 7.8 The duration of Assessment will depend on the number of technologies applied for and the number of installations required to be assessed.
- 7.9 Assessments will cover both quality management systems and completed installation(s) unless agreed in advance with Us to assess an incomplete installation.

8. Certification

- 8.1 When considering an application, We may at Our discretion decide to:
- (a) grant Certification; or
 - (b) grant Certification with defined approval in which event the scope of work covered by these Scheme Rules will be subject to such conditions as We see fit, and which will be agreed by and notified to You; or
 - (c) defer further consideration of the application for a defined time because either insufficient work was available for Assessment or You otherwise failed to meet the Requirements for Certification and/or Application Assessment. Under these circumstances a further Assessment may be necessary for which a charge will be payable in accordance with Our fees and charges as described in the fees and charges paragraph; or
 - (d) reject the application.
- 8.2 An application for Certification may be cancelled by Us, 12 months from the date of the application being received if You have not achieved Certification.
- 8.3 If You have been certificated with Us previously either under a previous trading title or your current trading title, and a claim was paid out under Our Platinum Promise, You will be required to reimburse all fees incurred before Certification is granted otherwise the application will be rejected.
- 8.4 When Certification is granted, the Trading Title of the Business will be included in the applicable Register(s) of Certificated Businesses.
- 8.5 The Certificate is issued when We have confirmed compliance with these Scheme Rules.
- 8.6 Certification will be effective from the date that We are satisfied that the required conditions have been met and all fees have been paid. Subject to continued compliance with these Scheme Rules and scheme requirements, the Business will remain certificated.

9. Conditions for continued Certification

- 9.1 You are eligible for continued Certification for as long as:
- (a) We are satisfied that You continue to comply with these Scheme Rules published, updated and notified, by Us to You; including increases to fees and the undertaking of Surveillance requirements and
 - (b) payment of all fees is made by the due date; and
 - (c) contact information for your Business is kept up to date by You and any changes notified to Us immediately; and
 - (d) records are maintained for a minimum of 6 years or longer if contractually agreed, inclusive of but not limited to; specifications, certificates, competence records and complaints; and
 - (e) You demonstrate compliance at Surveillance, through successful Assessment outcome(s).
- 9.2 The Scheme does not cover third party Certification; therefore, any work not undertaken by You will not be certificated by You nor notified to Us.
- 9.3 You will respond as required to compliance queries posed by Us.
- 9.4 You maintain a Consumer Code Registration compliant with the Scheme requirements, meaning that You remain authorised by CTSI (Chartered Trading Standards Institute) against the renewable energy consumer code with the mandatory additional approval required by MCS001-2.
- 9.5 You maintain a sub-sub license with the MCS Scheme owner.
- 9.6 Should the Scheme require notification of MCS Work applicable per technology and per installation, You must adhere to these requirements.
- 9.7 If, at any time, You form an additional Business undertaking work included in the scope of Certification at any address, or start work included in the scope of Certification from an additional address, an application must be made within 30 days for Certification of that Business or new address as a Contracting Office. For the avoidance of doubt, You must not hold yourself out as providing certificated work from that address, unless that address has been certificated as a Contracting Office under these Scheme Rules.

10. Sub-Contracting

- 10.1 You must not Sub-Contract work within the scope of the Certification without first obtaining the prior written agreement of the person ordering the work.
- 10.2 You must permit the Assessment of and accept full responsibility including any liability arising from work Sub-Contracted to another party.
- 10.3 Where You Sub-Contract installation work, that work must:
 - (a) be carried out by a Business able to demonstrate the necessary competence in the range of work being Sub-Contracted. Sufficient formal evidence must be retained by You for subsequent Assessment by Us; or
 - (b) any work Sub-Contracted must have an appropriate formal Sub-Contract agreement between You and the Business to which the work is Sub-Contracted; or
 - (c) be subject to the appropriate sample Assessments by You.

11. Changes to Certification

- 11.1 You will give notice to Us of any change to the Certificated Business's details. Such notice must be given as soon as reasonably practicable, and in any event within a maximum of 30 days of any such change becoming effective. Following such notification, continued Certification will be at Our discretion. Such changes include but are not limited to, changes of:
 - (a) legal constitution
 - (b) Trading Title
 - (c) address
 - (d) Nominee
 - (e) Technical Person
 - (f) financial status
 - (g) other significant particulars
 - (h) declarations upon the basis of which Certification was granted.
- 11.2 Where a change listed above is received, we may (but will not be obliged to) confirm that the existing Certification remains in place with such changes as are necessary to reflect the changes notified to Us. The Business whose Certification is changed must then sign an undertaking that it will comply with these Scheme Rules and accept full responsibility for the work within the scope of Certification undertaken by the previous holder of the Certification and /or under the previous details. Where a partnership is dissolved, Certification may be transferred to a new Business comprising one or more of the former partners subject to the written agreement of all the former partners. You will provide Us with such information as we require to allow us to consider any changes set out in Your notice.
- 11.3 Where the change process is not completed, insufficient information is provided or the changes are such that the conditions under which Certification was granted are significantly affected, We may:
 - (a) require You to make a new application for Certification; or
 - (b) require You to make facilities available, as required by these Scheme Rules, for an additional Assessment of You to confirm continued compliance (the cost of such Assessment to be paid by You in accordance with the fees and charges paragraph); or
 - (c) grant Certification with Defined Scope, in which event, the scope of MCS Work covered by these Scheme Rules will be subject to such conditions as We see fit and which will be agreed by and notified to You; or
 - (d) reject the change application and review if the Certification continues to meet the conditions under which Certification was granted.
- 11.4 Where a Nominee ceases to be employed in that capacity, You will advise Us without delay and, within 30 days of the change, provide a declaration on the form prescribed by Us to confirm that a suitable replacement has been appointed.
- 11.5 Where a Technical Person ceases to be employed in that capacity, You must advise Us without delay and, within 30 days of the change, provide a declaration on the form prescribed by Us. A replacement Technical Person, accepted by Us, ** must be employed in that capacity within 120 days of the former Technical Person ceasing to be employed in that capacity.
- 11.6 Fees and charges paid in respect of change of Certification particulars, or a transfer of Certification are non refundable.

- 11.7 Where MCS Work beyond the scope of Certification starts to be carried out or managed, an application must be made to amend the scope of Certification. You must not hold yourself out as being certificated to carry out any MCS Work beyond the scope of Certification unless and until such Certification has been amended or additional Certification granted, as applicable.

12. Surveillance

- 12.1 For the purpose of determining continued eligibility for Certification, You will be required to facilitate Surveillance requirements as defined by Us, based on the range, scope, number of personnel and geographical spread of the work undertaken.
- 12.2 You will provide access, where required, to the physical postal address which meets the delimitation of a Contracting Office of Your Contracting Office(s);
- 12.3 During Surveillance, You will produce to Our Assessor the below and enable the assessment of the items referred to in Requirements for Certification:
- (a) a list of all MCS Work completed since the previous Assessment; and
 - (b) a list of all MCS Work in progress; and
 - (c) the designs, method statements, commissioning and handover documents relating to that work; and
 - (d) duplicates of all prescribed forms of certification and evidence of Building Regulation compliance issued or in progress; and
 - (e) any other items as prescribed by Us; and
 - (f) a copy of your complaints log and complaints procedure; and
 - (g) evidence of competency for all individuals involved.
- 12.4 The Nominee will be available for the Assessment, attending the open and closing meetings. No other person will be present during the Assessment without the express prior agreement of Our Assessor, or Us.
- 12.5 Each Technical Person being assessed will be present throughout the Assessment.
- 12.6 You will provide facilities for such Assessments, including transport, tools, plant, test equipment and access to its place of Business and to the work selected for Assessment.
- 12.7 You will provide access to your records, demonstrating retention for a minimum of 6 years or longer if contractually agreed, inclusive of but not limited to; specifications, certificates, competence records and complaints.
- 12.8 You will not cancel 2 or more Assessments in any year. If You cancel an Assessment on less than 21 days' notice, You will be responsible for the fees and charges in respect of the cancelled Assessment as if that Assessment had taken place.
- 12.9 Where You are found not to comply with the requirements of these Scheme Rules, We will notify You of the non-conformity(ies), which may necessitate Us carrying out further Assessments. You will be responsible for your own costs and for payment of Our fees for further Assessments as may be determined and published by Us in accordance with the fees and charges paragraph. Where Our Assessor identifies non-conformity(ies), You will undertake appropriate remedial action within the timescales prescribed.
- 12.10 When requested by Us, You will provide access and facilities to allow for the attendance of internal and/or external parties such as the United Kingdom Accreditation Service (UKAS) to witness Assessments carried out by Us.
- 12.11 All electronic recording devices are to be switched off for the duration of the Assessment and, it is not permitted that any part of the Assessment is recorded.
- 12.12 In addition, during the Surveillance Assessment Our Assessor will sample evidence of any Building Regulations notifications and/or MID notifications carried out since your last Assessment. Failure to demonstrate sufficient evidence of correct notification(s) will result in non-conformity(ies) being issued.

13. Suspension of Certification

- 13.1 Businesses can request to suspend their Certification. This is termed voluntary Suspension, this request will be reviewed against the Scheme requirements prior to action and again upon request to lift this voluntary status.
- 13.2 We may, suspend with immediate effect, your Certification from the Register(s) of Certificated Businesses if it is shown to the satisfaction of Us that You have:
